## Company Detail:

Mrs Sushila Ram Varma, Lawyer by Profession, Mentor and Guide, Influencer and Blogger, is the Co-Founder and Chief Consultant of The Indian Lawyer & Allied Services, a Multi-City Commercial and Business Law Firm.

The Indian Lawyer & Allied Services operates in the legal advisory market in India and overseas. Currently, the firm is headquartered in New Delhi and operates out of Offices in Mumbai, Hyderabad, Chennai and Darjeeling. We are also working with PAN India through our network of Associates.

The Firm has an excellent track record of accomplishments in advisory/transactional work, negotiations, management of cross-border and domestic litigations, arbitration (both national and international) and mediation, business/investment laws, contract law, corporate laws, insolvency and bankruptcy laws, intellectual property rights and international trade law.

### **Unique Selling Proposition / Competitive Advantage:**

The Firm services, successfully, multifarious Clients from the start-up to billion-dollar companies, giving the Team the bandwidth to explore multiple problem areas and find solutions. Mrs Varma tries to come up with quick solutions to legal issues. For that reason, they work and cooperate with multiple disciplines such as tax, business and accounting advisors in India and overseas. They have specialists in areas that require specific knowledge and qualifications. They can set up a team of advisors quickly who are able to provide solutions in problematic areas.

Her dictum in her work area is to be Reliable, Responsible and Resourceful, which is also her Firm's motto.

Mrs Varma wishes to be associated as a trustworthy lawyer and therefore encourages her Team to be transparent and honest in their dealings and always work in the best interests of the Client. The field of Law is such that often legal closure of an issue can take several years because of which she makes a genuine effort to try and work an out of court settlement rather than encourage frivolous and unwanted litigations, which is the order of the day.

The Firm's global perspective is based on its working knowledge of sectors, industries, local laws and customs in keeping with the Clients' requirements. They also have a global network of partners across the Globe that help us to serve Clients more effectively.

### **Challenges Faced During The Journey:**

Mrs Varma is a self-made First-Generation Professional. She comes from a small place like Darjeeling and she always dreamt of making her mark in the Legal Profession across India and overseas. With sheer perseverance, she has been able to build a multi-city practice, where her Clients trust her advice and guidance completely.

### **Advice For Other Women Entrepreneurs:**

Mrs Verma tells everyone to 'Dare to Dream and Dare to Do.'
